July 2026 Newsletter

President's Message

Greetings, MVTA Members!

We're over halfway through the year now, and the Fourth of July is behind us — two hundred fifty years of freedom and independence. I don't know that there's any other country quite like this one. But I'll spare you the history lesson and get to the trails stuff.

We recently had our **Strawberry Moon Hike**, which was a great success with a strong turnout. A few folks hung around past nine and got to see the moonrise! (see page 4).

Meadow Vista threw down as always — MVTA volunteered at the **AR50**, and we got some great pictures (see page 2). Thanks to all the volunteers who came out, and a special thanks to Tiffany for organizing it.

We've also recently done some trail work out at Hotchkiss Hill (see page 3), so make sure to get out there and enjoy it.

Last, and certainly not least, we had a **Moonlight Hike** on July 22nd to the historic Lime Kilns near Colfax, just above the Bear River.

Thank you all for being members, and I look forward to seeing you out on the next round of fun stuff. See you all on the trails!

Warmly,

Jeff Sparman
MVTA President

OTCA Update

White Clover Valley easement - MVTA signed Busey Property agreement on 06/10/2026

Boeger property easement - Placer County needs to conduct a survey to identify trail easement and then we can proceed with an agreement. (Note: The property is currently listed for sale, asking \$4 million).

Want to share your photos of rides, hikes and other outings? Send them to us: (news@mvtrails.org)

County Meetings of Interest

Meeting Agendas may be found here:

<https://www.placer.ca.gov/AgendaCenter#cat22>

Placer County Fish and Game Commission

Meets on the **4th Wednesday of every month – 6 p.m.** at the **Planning Commission Hearing Room**, 3091 County Center Drive, Auburn (DeWitt Center). You can attend via Zoom (*agenda has link*).

Meadow Vista MAC (Municipal Advisory Council) & Community Forum

Monday, October 19, 2026 - Community Forum begins at **6:00 pm** at the **MV Community Center** – An open discussion about community activities with reports from fire and law enforcement officials, and County updates from **District 5 Supervisor Cindy Gustafson**. A MAC meeting (if necessary) follows the Forum.

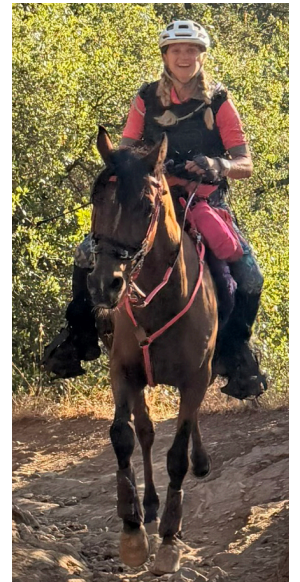

Meadow Vista Trails Association • P O Box 871, Meadow Vista, CA 95722

Dedicated to maintaining and establishing safe walking, running, biking and equestrian trails throughout Meadow Vista, California and the neighboring communities of Applegate, Auburn, Christian Valley, Clipper Gap, Colfax, Eden Valley and Weimar for the benefit, health and enjoyment of the community while preserving the integrity of the environment.

Contribute articles and photos to the **MVTA Newsletter** by sending as attachments to our editor, **Stewart Feldman** (news@mvtrails.org)

MVTA Helps at AR50 (American River 50-Mile) Ride

As in years past, MVTA lent a hand at the AR 50, helping keep hikers in the loop to watch for equestrians on the trail. Four of our board members got an early start on the day — which meant the event was winding down before the afternoon heat had a chance to kick in! We had a blast talking with all the different contestants, and saw many beautiful horses along with a couple of sure-footed mules.

Trail Maintenance – Hotchkiss Hill

MVTA is proud to have adopted maintenance responsibilities for the Hotchkiss Hill trail, located within the Heather Glen Estates community.

This well-used trail serves as a valued recreational resource for local residents, and the community has expressed sincere appreciation for our ongoing stewardship efforts.

Strawberry Moon Hike

The Strawberry Moon hike drew a great crowd! After a short hike, everyone kicked back at the picnic tables for snacks, drinks, and good company while we waited for that gorgeous Strawberry Moon to make its appearance.
