President's Message

Dear Members,

What a couple of months it's been for our trails community!

In May, we held our **5th Annual Poker Ride**, and what a great day it turned out to be. Around 50 riders came out to enjoy the trails, and the energy was fantastic from start to finish.

A huge thank-you to everyone who rode with us — you're the heart of this event, and it wouldn't be the same without you. Local band **Fire Season**, featuring **Alec Reynolds**, kept the good vibes going and made the day even more memorable.

We're also grateful for the generous support of our local businesses, including **Tin Lantern**, **Ace Hardware**, and **The Local Cafe**. A special thanks goes out to Auburn's two longest-standing bike shops, **Bike Emporium** and **Victory Velo**, for continuing to stand behind us year after year. And to our board members and volunteers who put in the time and effort to make the **Poker Ride** run smoothly — thank you. Your dedication is what makes events like this possible.

Moving into June, MVTA proudly entered the **77th Annual Pioneer Day Parade**. We had quite the crew — several horses, a miniature horse, and even a unicorn! Once we reached the park, the celebration continued with thirty-plus vendors, including craft makers, local businesses, and plenty of great food. It was wonderful to see all of Meadow Vista turn out, and a good time was had by all.

Thank you all for being part of what makes this community so special. Hope to see you out on the trails!

Warmly,

Jeff Sparman (jeff.sparman@gmail.com)
MVTA President

PS: I'm always available — don't hesitate to get in touch!
